THE GREAT PRESIDENTIAL CAMPAIGN OF 1900.

DOES IT PAY TO BUY CHEAP

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and Lung troubles. What shall you do? Go to a warmer and more regular climat? Yes if possible if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles „Boschees German Syrup“. It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Sample bottles at Mrs. M. Schrader, Richfountain Werner & Lueckenhoff Westphalia, Mo.

THE GREAT PRESIDENTIAL CAMPAIGN OF 1900.

The wars of America have heretofore, settled affairs of state. Great questions of policy, of external in otherword national concilis have been answered as soon as the battle smouldered away, and the victor realized his victory. The war with Spain is unlike its predecessors. It has not answered questions, but has created problems which may not be solved lightly. These problems are being formulated by the political parties, and before they can be definitely settled at the ballot box it is necessary that the people be informed in regard to the situation. The result of the campaign of 1900 will make a broad mark upon the republic and doubtless establish the policy of the great Republic of America for a quarter of a century. It is vastly important therefore that every citizen shall study the situation through that best of mediums a great newspaper. The most reliable newspaper is the Semi-Weekly Republic is a comprehensive view of the situation in all its bearings. The Republic is a Democratic paper but it offers to its readers the news regarding all the political parties and this without prejudice. It is a fair newspaper. Its telegraph and cable news service has been proved to be the best employed by a modern paper. Its special features are unsurpassed. It is the newspaper for the reader who has not access to a daily paper.

Attention! Attention! The Republic Sunday Magazine. Its half-tone illustrations are alone worth the subscription price. It is made up of special articles by the best literary talent embracing a variety of subjects of current interest. News features of absorbing interest are illustrated and enlarged upon. For the benefit of the ladies the latest fashions are hand-colored. The Republic Sunday Magazine is always interesting to every member of the family.

The Subscription price of the Semi-Weekly Republic is \$1.00 per year. The Republic Sunday Magazine \$1.25 per year. Both papers are now being offered at the very low price \$1.00 for one year. To secure this low rate both must be ordered and paid for the same time.
